

Most Firms Build Algorithms. We Built the *Infrastructure* They Depend On.

Purpose-built infrastructure that transforms fragmented municipal market intelligence into better trading decisions.

INSTITUTIONAL EXECUTION

Connected to institutional liquidity.

Preserving dealer relationships.

TURNING MARKET COMPLEXITY INTO **EXECUTION INTELLIGENCE**

WHY ALGORITHMIC TRADING HAS BEEN SO DIFFICULT IN MUNICIPAL BONDS

The Challenge

Fragmented market structure

Our Advantage

Institutional connectivity

Inconsistent pricing

Proprietary pricing intelligence

Relationship-driven execution

Deep dealer network integration

Manual workflows

Decision automation

Limited scalability

Cloud-native infrastructure

POWERED BY INSTITUTIONAL MARKET INTELLIGENCE

Market Data

Dealer Inventory

Pricing Intelligence

Historical Trades

Yield Curves

Liquidity Signals

Relative Value

Portfolio Rules

And More...

CONSOLIDATED. NORMALIZED. ALWAYS ON.

Powering institutional decision intelligence.

**Your Strategy.
Your Rules.
Your Edge.**

No two trading firms operate the same way.

Build proprietary strategies around your investment philosophy, risk discipline, and execution objectives.

PROVEN IN LIVE MARKETS

10+ YEARS

Refining institutional trading infrastructure.

LIVE
INSTITUTIONAL
TRADING

Powering production trading desks.

THOUSANDS
OF TRADES
PROCESSED
